APRIL 2015

Dear Distributor,

Breath testing is breathtaking with the new IRIS™ Dynamic!

Now the time has come to satisfy your customers' needs and to offer them the new IRIS™ Dynamic instrument, with full flexibility and connectivity in a fully integrated system.

After successful EMC and electrical safety testing by an accredited laboratory the requirements for CE-mark is about to be finalized. The necessary documentation needed is being prepared.

To be sure to be the first to get an instrument, please place your orders NOW! For planning purposes, please also provide us with your estimates for the coming year.

We look forward to receive your orders and we plan to deliver the first instruments within June!

Best regards
KIBION
